

Fast Facts ⓘ Hollywell Mooring Area

ABOUT: The Hollywell Mooring Area is a category 3 area located in the waterway at Runaway Bay adjacent to the western side of Crab Island.

CURRENT MOORINGS IN THE AREA: Six (6) traditional swing moorings

FUTURE CAPACITY: The Gold Coast Waterways Authority has identified that this site is currently at capacity for the safer management of water traffic.

(Note: The establishment of additional buoy moorings at this site is subject to a range of factors; for example, vessel character, natural occurrences such as ongoing shoaling, and marine development.)
