

Opening up our waterways

Tipplers Passage Boating Facilities Improvements

Delivering our plan to **Sustain, Enhance** and **Promote** Gold Coast waterways

Gold Coast Waterways Authority is investing \$35.3 million in projects over four years to Sustain, Enhance and Promote our waterways.

Tipplers Passage Boating Facilities Improvements Project - Fast Facts*	
Location	Tipplers Passage Precinct Foreshore
Cost of project	\$850,000
Expected Start date	September 2015
Completion date	January 2016
Status	Construction Phase

*May be subject to change

About the project

The project involves extending boating facility structures located along the Tipplers Precinct foreshore. The extensions are required to enable continued access for watercraft due to plans to nourish the foreshore later in the year using material dredged from the Tipplers Passage navigation channel.

Benefits to the community

- Improved navigational safety and access
- Improved boating infrastructure

Our other Enhancement projects in this area of the Gold Coast include:

- Tipplers Passage Dredging & Beach Nourishment project.

Our **Waterways Management Program 2014-18** identifies more than 60 projects being planned and delivered over the next four years. To find out more about our program, visit <http://www.gcwa.qld.gov.au/program/>

About us

The Gold Coast Waterways Authority (GCWA) is the Queensland Government agency responsible for improving access to and managing the waterways as well as ensuring that the waterways continue to be a great asset available to residents, visitors and businesses on the Gold Coast.

Our Vision

A waterways network (and relevant facilities and reserves) that is sustainably managed to reflect and support an appropriate balance between the recreational, tourism, environmental, economic development and commercial aspirations and objectives of the Gold Coast community and visitors.

New piles being driven to extend infrastructure

The Gold Coast Waterways Authority pontoon at Tiplers Passage will be extended by 10m to maintain access. Other structures in the Tiplers Precinct area will also be extended to improve access.
