

Fast Facts Beattie Road mooring area

ABOUT: The Beattie Road mooring area is a category 3 area located within the Coomera River near the Gold Coast Marine Precinct between Coomera and Hope Island.

CURRENT MOORINGS IN THE AREA: There are currently 3 traditional buoy moorings in the mooring area.

FUTURE CAPACITY: For this mooring area, there would seem to be enough space and depth for up to 12 environmentally friendly moorings; however, this would depend on the type, length and draft of the moored vessels.

Note: The establishment of buoy moorings in this area may be affected by several factors, such as channel dredging, sand movements and shoaling, other water traffic, and future marine development and access.
