

Fast Facts ⓘ Carbrook mooring area

ABOUT: The Carbrook mooring area is a category 3 area located within the Logan River adjacent to Ferry Road, Carbrook.

CURRENT MOORINGS IN THE AREA: There are currently 2 traditional buoy moorings and 1 environmentally friendly mooring in the mooring area.

FUTURE CAPACITY: For this mooring area, there would seem to be enough space and depth for up to 19 environmentally friendly moorings; however, this would depend on the type, length and draft of the moored vessels.

Note: The establishment of buoy moorings in this area may be affected by several factors, such as sand movements and shoaling, other water traffic, and future marine development.
