# Cavill Avenue Pontoon Repair.

Gold Coast Waterways Authority is repairing the pontoon structure at the western end of Cavill Avenue, Surfers Paradise. This project involves undertaking maintenance activities to address structural damages.

The Cavill Avenue Pontoon is a popular marine facility, providing access to the Nerang River. The pontoon structure will be repaired through maintenance of the pontoon modules and structure.

## BENEFITS

- Upgrading and maintaining boating facilities is an important part of ensuring safer, navigable access for waterway users.
- The enhanced infrastructure at Cavill Avenue will be of a similar size to the existing one, with upgraded specifications.
- The repair of the pontoon structure will improve its usability, aesthetics, and overall functionality for commercial and recreational waterways users in the Surfers Paradise area.

## IMPACTS

- Temporary closure of the pontoon will be in place while works are undertaken.
- Some noise impacts during the maintenance activities are expected.
